The Harrison County Syringe Exchange Program (SEP) opened in 2016. WEDCO would like to thank our community partners for their support. The primary goal of SEP is to help keep the community safe and healthy by working to prevent the spread of HIV and hepatitis.

Harrison County SEP is open every Thursday 12:00 PM - 4:30 PM.

Located at the Harrison County Health Center, 364 Oddville Ave., Cynthiana, KY.
