The Scott County Syringe Exchange Program (SEP) opened July 1, 2019. WEDCO would like to thank our community partners for their support. The primary goal of SEP is to help keep the community safe and healthy by working to prevent the spread of HIV and hepatitis.

Scott County SEP is open every Monday 12:00 PM - 4:30 PM.

Located at the Scott County Health Center, 300 East Washington St., Georgetown, KY.
